[HON. SPEAKER *in the Chair*]

REFERENCE BY THE SPEAKER

18th Anniversary of the Terrorist Attack on Parliament House on 13th December, 2001

HON. SPEAKER: Hon'ble Members, as you are aware, 18 years ago on 13th December, 2001, the terrorists in a brazen attack, sought to hit the Parliament of India, edifice of our democratic polity.

This attack was foiled by our alert security forces guarding the Parliament complex. Five security personnel of Delhi Police, one woman constable of CRPF, two Security Assistants of the Parliament Security Services and one other employee were martyred in this terrorist attack.

The House pays homage to the supreme sacrifice made by these martyrs and strongly stands with their families.

On this occasion, let us reiterate our resolve to combat the scourge of terrorism and reaffirm our pledge to protect the unity, integrity and sovereignty of our country.

Now this House will stand in silence for a short while as a mark of respect to the departed souls.

He is welcoming all to rape we people. … *(Interruptions)* We are women folk, and this is an insult to all women of the entire India. …*(Interruptions)* This is an insult to Bharat Mata. Modi Ji is talking about 'Make' and Rahul ji talking about 'Rape'. …*(Interruptions)* He himself does not come out of his house without security. How can he talk about rape and understand trauma of rape? …*(Interruptions)* The Congress Party has 'raped' the entire country. Their method is to rape a woman and to put her in the *Tandoor*. …*(Interruptions)* They are stone hearted. How will they understand? Indian women are on the top in the world. He has insulted women. Therefore, he should apologise. ... *(Interruptions)* While Modi Ji is talking about 'Make in India', he is talking about rape. Is he not aware about the capabilities of Indian women? He has insulted all men of this country as well. All men are not rapists in India. He is calling people from outside to come and rape. What does he think about women? …*(Interruptions)* Will they rape us? He has insulted us by saying 'Rape in India'. Prime Minister has urged entire world to set up industry here and do manufacturing and production here. …*(Interruptions)* He gave a slogan 'Make in India', and talked about providing employment. What has happened to Rahul Gandhi Ji? You must remember that when one Member of this House had made a statement outside the House, the Hon. Prime Minister himself had expressed regret over it. …*(Interruptions)* Since Rahul Gandhi Ji and Sonia Gandhi ji are not present in the House, I am asking Adhir Ranjan Ji what Rahul Gandhi Ji thinks? *[English]* What does he think of the women of this country? *[Translation]* I would like to ask whether all men in our country are rapist?...*(Interruptions)*

THE MINISTER OF WOMEN AND CHILD DEVELOPMENT AND MINISTER OF TEXTILE (SHRIMATI SMRITI ZUBIN IRANI): Hon. Speaker, this is happening first time in the history of the nation that a leader of a party is giving a clarian call publically that Indian women should be raped. …*(Interruptions)* It has happend for the first time in the history of nation. It has happend for the first time in the history of nation that the leader of the

Congress Party is making political mockery of a heinous crime like rape....*(Interruptions)* The son of Gandhi family is openly saying that 'come to India and rape'. Hon. Speaker, Rahul Gandhi is the Member of this House and he said that every man in India wants to rape woman....*(Interruptions)* Is this statement of Rahul Ghandi a message for the people of the country? Is he publically saying that women of this country be raped? …*(Interruptions)* Hon. Speaker, this is not just related to the dignity of either female or male Members of this House, as for the first time, a member of this House is daring to say that women of India should be raped….*(Interruptions)* He is saying like this. But the women of India have the strength to counter such situation.…*(Interruptions)*

DR. SANJAY JAISWAL (PASCHIM CHAMPARAN): Hon. Speaker, about two thousand years ago, Chanakya had said that children born of mothers from other countries can not be loyal to their nations. …*(Interruptions)* We are seeing this instance. The way he has insulted the country is condemnable ….*(Interruptions)* This is not good that the son of female President of the Party is talking like this. Being a women MP and on behalf of my other women colleagues, I would like to appeal you to give a punishment to him as country is looking up to you....*(Interruptions)*

How do they react on Mr. Rahul Gandhi's statement? What does it mean? …*(Interruptions)* Is it not shameful? I would like to ask Shrimati Supriya Sule and Shrimati Kanimozhi …(*Interruptions*) Rahul Gandhi is saying, "Rape in India." What does 'Rape in India' mean? He is asking all the outsiders to come to India and rape all the womenfolk of India. …(*Interruptions*) Is it right? They have to give their opinion. He has said this. …(*Interruptions*) You can see what he is talking. Is this a way to talk? If they respect the sentiments of women, they should react on this. …(*Interruptions*)

SHRI ARJUN RAM MEGHWAL: Hon. Speaker, about what Pralhad Joshi Ji has said ,Supriya Ji and Kanimozhi are saying that they are not aware of it ….*(Interruptions) So* I would like to repeat that Rahul Gandhi Ji said that now 'Make in India' has become 'Rape in India'….*(Interruptions)* So ,what is your opnion on it? …(*Interruptions*) The House has to be …(*Interruptions*) This is the Question Hour and the House is not in order. The hon. Minister has taken my name and Shrimati Supriya Sule's name and he expects us to answer. We have to understand one thing first that this was said outside the House. …(*Interruptions*) One minute, let me finish. …(*Interruptions*) Let me finish. You wanted me to answer.

The hon. Prime Minister has always been saying about Make-in-India. We all respect that and we want things to be made in India and India to become a very flourishing economy. But then, what is happening in this country? …(*Interruptions*) That is what the hon. Member, Shri Rahul Gandhi, intended to say. …(*Interruptions*) Unfortunately, Make-in-India is not happening and the women in this country are being raped …(*Interruptions*) This is the concern that he has expressed.

SHRI PRALHAD JOSHI: Sir, it is most unfortunate. Being a woman Member, you are defending. It is most unfortunate. …(*Interruptions*)

SHRIMATI SMRITI ZUBIN IRANI: Sir, in this House, all of us have spoken about crimes against women above party lines. I expected Shrimati Kanimozhi to speak above party lines. …(*Interruptions*) Is it a fact that Shri Rahul Gandhi, almost touching 50 and hence, realises that rape in India will tantamount to an invitation about raping women in India? Yes, Shri Rahul Gandhi cannot be so ignorant. I am shocked. Shri Gogoi is known for his interferences every time a

female MP of the Bhartiya Janata Party stands up. Let him know that today even his … *of stopping us and from saying our stuff will not be tolerated.

I was hopeful that above party lines you would rise and condemn this statement of rape in India. That is the least as Parliamentarians and as citizens we can do. I am extremely disheartened that even on issues of crime against women, you could not rise above party lines. I am disgusted to say the least. …(*Interruptions*)
